Agreement Signed with European Distributor INELTEK

— Accelerating Expansion of Camera Products in the European Market —

Uozu, Toyama, Japan: Shikino High-Tech Co., Ltd. (hereinafter, Shikino) is pleased to announce that it has entered into the agreement with INELTEK GmbH (Head Office: Heidenheim, Germany), a leading European electronics distributor, to strengthen the sales and distribution of its camera products across the Europe.

This partnership leverages INELTEK's sales network throughout Europe to promote Shikino's camera solutions, aiming to further enhance the company's global market presence.

Prior to the formal agreement, INELTEK had already begun showcasing Shikino's products at exhibitions throughout Europe. With the signing of this official agreement, both companies will now deepen their collaboration.

Going forward, Shikino will further accelerate its global expansion through this strategic partnership.

About INELTEK GmbH

Founded in 1987 and headquartered in Heidenheim, Germany, INELTEK GmbH is one of Europe's distributors of electronic components. The company operates sales offices in Germany, the United Kingdom, Italy, Austria, the United States, and China. INELTEK offers a wide range of products including semiconductors, displays, memory devices, sensors, and power modules, while also providing design support and technical services to assist customers in product development.
